Dear Ms Sinclair and Committee Members,

The following is in response to the advertisement, "Have your say on regional telecommunications issues", that appeared in the November 26, 2011 edition of the Melbourne Age.

I request that The Regional Telecommunications Independent Review Committee investigate the level of interference to, and adverse impact on, internet and telephone communications in Bass Coast Shire, caused by the construction of, and the telecommunications cable for, the Victorian Desalination Project.

Yours faithfully,

Maurice Schinkel
